

A large photograph of a residential property. In the center, a white house with solar panels on its roof is visible, partially obscured by dense green trees in the foreground. The background shows a forested hill under a clear blue sky. An orange banner in the top left corner contains the word "Sold" in white text.

168 Cedar Creek Rd, Upper Kedron

This block has exceptional views over the valley and is ready now.

Located just 17kms from the Brisbane CBD and with rail and transport close buy- this makes for exceptional value.

One of the last blocks in the estate and ready to build on.
